Essay

In assessing your application, it is important for us to see a demonstration of written competency, evidence of self-directed learning, and articulation of your professional and educational goals.

In an essay of 500 to 700 words, please describe the path of events that led you to Waldorf Education and to the work of Rudolf Steiner; then characterize how you wish to contribute to the development of youth. Please consider:

- what have been your most significant learning experiences?
- what is your learning style (please provide examples)?
- what draws you to Waldorf teacher education at this point in your life?
- what do you hope to get from this experience, professionally and personally?
- what will you bring to the program and to Waldorf Education?

Please respond in your own handwriting to the questions above, using a separate sheet.

I certify that the information contained in this application is true and complete to the best of my knowledge. I understand that all materials submitted become the property of the Center for Anthroposophy and are used for admission purposes only, unless otherwise specified. I also understand that no materials will be returned to me.
