Introducing Kairos Institute

In Spring 2022, we will inaugurate a 4-year, part-time **International Standard Training in Artistic Therapies**. Dr. Lakshmi Prasanna and international therapists will offer face-to-face and virtual courses. Our original intent was to begin this new initiative with face-to-face courses at Renewal 2021; however, due to current restrictions, we will delay the beginning of **Emergency Pedagogy**, a 12-Module Training with Bernd Ruf and supportive faculty, until Summer 2022. Please fill out the questionnaire on our website so we may be in touch with you with the latest developments.
