

Renewal Courses 2023

Week-long retreats comprised of certificate-earning professional development courses in grades teaching, school leadership development, anthroposophy, and the arts. Week I courses welcome participants to tune in and be inspired from their own chosen summertime location. Week II will meet in-person at the idyllic setting of High Mowing School in Wilton, New Hampshire. Take the opportunity to rest and unwind while engaging with anthroposophy and the arts, connecting with a wide community of individuals inspired by Waldorf education.

Week II
