

Explorations Online 2024-2025

Discover the foundations of Anthroposophy, Waldorf education, and the arts—for parents, grandparents, administrators, new teachers in public and independent Waldorf schools, and those teaching children at home.

Explorations courses meet via Zoom for 2 hours on Saturday and Sunday (4 hrs. per weekend) twice a month. Classes include artistic work (speech/storytelling, movement, music, and pastel drawing) and contemplative studies on current issues, using Anthroposophy as a method of inquiry. We will look at a holistic view of the human being, self-development, and current social and pedagogical needs.
