The Waldorf Leadership Development course is a dynamic, certificate-earning program open to all those currently, or interested in, serving their independent or public Waldorf school community and is accessible through our low-residency, live, and interactive approach. Attendance at both in-person residencies, plus a minimum of 80% online attendance is required in order to receive a 'Certificate of Completion' upon conclusion of the course. Those who attend a minimum of 80% of the online sessions will receive a letter of participation verifying their attendance.
