

Mentor Training

Next Cycle Begins January 2026

*Become a mentor...
and support Waldorf
education into the future!*

This 10-month low-residency certificate program offers experienced Waldorf teachers an innovative approach to supporting new and developing teachers in the classroom.

Participants will meet online for 2 hours one Saturday per month to work in collaboration with program faculty in all realms of Waldorf education: early childhood, grades, high school, and special subjects.

The program will begin on Saturday, January 26, 2026 . The program includes a week long in-person residency from Sunday, June 28 - Friday, July 3, 2026.
